

Product Information

FEIN DUSTEX 25L with accessory set

For clean results and safe, healthy working conditions.

Compact, powerful wet and dry dust extractor for connecting to power tools when working in the workshop and for assembly work, with large accessory set.

- Powerful turbine for 72 l/s volumetric flow and 253 mbar vacuum (240V).
- Low noise level of 67 dB (A).
- Large range thanks to 6 m power cable and 4 m suction hose.
- Large, 360° rotating castors for optimum manoeuvrability even in tight spaces.
- Tool collar with suction force regulation to set the suction power with ease.
- Auto start socket with switch-on delay to avoid power surges.
- Practical storage area with edge.
- Approval for dust class L.
